

Breakthroughs in Sustainable Finance

AGENDA

Global Landscapes Forum Luxembourg

European Convention Center, Luxembourg
30 November, 2019

Welcome to GLF Luxembourg 2019!

An annual meeting for finance leaders from around the world, this one-day event will help unlock the power of sustainable finance to transform food systems, restore landscapes, conserve the many benefits of biodiversity and more.

The Forum is co-organized by Luxembourg for Finance and hosted by the Luxembourg Ministry of Finance and Ministry of the Environment, Climate and Sustainable Development. Prior Investment Case Symposiums were hosted at the IFC World Bank in 2018 and at the London Royal Society in 2016 and 2015.

Global Landscapes Forum

The Global Landscapes Forum (GLF) is the world's largest knowledge-led platform on integrated land use, dedicated to achieving the Sustainable Development Goals and Paris Climate Agreement. The Forum takes a holistic approach to create sustainable landscapes that are productive, prosperous, equitable and resilient and considers five cohesive themes of food and livelihood initiatives, landscape restoration, rights, finance and measuring progress. It is led by the Center for International Forestry Research (CIFOR), in collaboration with its co-founders UN Environment and the World Bank and Charter Members.

Charter Members: CIRAD, CIFOR, Climate Focus, Conservation International, Ecoagriculture Partners, EFI, Evergreen Agriculture, FSC, GEF, GIZ, IPMG, CIAT, ICIMOD, IFOAM - Organics International, INBAR, IUFCO, Rainforest Alliance, Rare, RRI, UN Environment, Wageningen Centre for Development Innovation, part of Wageningen Research, World Agroforestry, WRI, WWF Germany, Youth in Landscapes Initiative, World Bank Group
