GLF
Biodiversity
Digital
Conference

You are invited to use this menu of questions to spark conversation. Try out different questions and see where your discussions lead you. Start with a quick round of introductions and consider designating one of your group members as a discussion facilitator.

Menu

Appetizer

Why have you chosen to attend this conference?

.....

Starter

What role do youth have in protecting biodiversity?
How can you support youth in protecting biodiversity?

.....

Main Course

The CBD'S 2050 biodiversity vision is "living in harmony with nature".
What does that mean to you?

.....

Dessert

Think of a tool or resource that you have learned about in the past year.
How has it made a difference in your work or practice, and how could it
make a difference in others'?

.....

Side Dish

What is one ecosystem or landscape that is meaningful to you? Why?

.....
