

One World One Health 28.29 OCTOBER 2020

GLF Biodiversity Digital Conference

You are invited to use this menu of questions to spark conversation. Try out different questions and see where your discussions lead you. Start with a quick round of introductions and consider designating one of your group members as a discussion facilitator.

Menu

Appetizer

Did you attend the conference yesterday, and if so what did you find most interesting about it? If you did not attend yesterday, why have you chosen to participate in this conference?

.....

Starter

Were there any topics or sessions that you found particularly thought-provoking? What questions did they raise? If you did not attend, share an issue related to biodiversity, health or sustainable landscapes that you find challenging in your daily life/work.

.....

Main Course

Name a value that you think would help society to achieve the biodiversity conservation goals. How can you and others cultivate this value?

.....

Dessert

What would help you to promote biodiversity in your workplace/daily life?

.....

Side Dish

Do you have expertise in a particular topic? Think about how this topic might relate to biodiversity, health, and sustainable landscapes?

.....
