

One World One Health 28.29 OCTOBER 2020

You are invited to use this menu of questions to spark conversation. Try out different questions and see where your discussions lead you. Start with a quick round of introductions and consider designating one of your group members as a discussion facilitator.

Menu

Appetizer

What has been your greatest takeaway from today?

.....

Starter

What is one challenge that your community faces in protecting biodiversity? How might the solutions discussed in the past two days contribute to addressing this challenge?

.....

Main Course

How can you contribute to creating transformative change for a more sustainable and equitable future?

.....

Dessert

Name a session, speaker or concept that really stood out to you during the conference, and explain why.

.....

Side Dish

Please share one call to action that you would like to promote within the GLF community

.....
